DENON DJ X1850 PRIME

DENON DJ X1850 PRIME 4-Channel Digital Mixer with Multi-Assignable Inputs and Pro DJ FX

Familiar Layout, Superior PerformanceWith a rugged metal construction, the X1850 is a 'mixing comfort-zone' for any DJ. It has 4-channels with multi-assignable inputs, covering every gig performance need. A 'high-visibility', 3-band EQ section offers both 'normal' and expressive 'isolation' modes. Smooth line and crossfader control handles all Pro-DJ mixing styles.Sculpt Your SoundAdd dynamic audio effects into the mix with the X1850's 4 Sweep FX, contouring frequencies with its powerful Lo/Hi pass Filter. Get creative and expressive with the X1850's 16 Pro-Club BPM FX and 'Time-Division' Touchstrip too. The X1850 brings 'FX Quantize' control to ensure all effects parameters align with your grooves!Mainstage Connectivity ReadyMulti I/O, 24-bit/96kHz Prograde audio connectivity is just the start! The X1850 PRIME has a built-in LAN hub for connecting up to four 'SC' media players, carrying tempo information, ultra-fast music file transfer and StagelinQ audio visual connections. A 5-Pin MIDI out to start/sync external gear brings even more performance flexibility.Crisp OLED ScreenCustomize X1850 DJ workflow and performance settings plus access, adjust and edit 16 expressive Pro Club FX.Dual USB Audio ConnectionsExperience fast, uninterrupted DJ 'handoffs', connect to DJ software and record multi-channel audio to laptops.Dual Mics + Flexible MonitoringNo sacrifice of line faders with 2 independent, EQ/level controlled microphone channels with 'talkover'. Get Split/Cue headphone monitoring with 1/4" jack plus minijack inputs.Expressive Filter & Sweep FXDedicated Sweep FX, access 4 dynamic, 'left/right variant' controlled effects. Simultaneously manipulate lo/hi pass Filters on each channel, coloring with adjustable resonance control.Specifications<ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"><ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"> Audio <ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"> Dynamic Range (master): > 117 dB (A-weighted)   Frequency Range: 22–22,000 Hz (+1 dB)   Signal-to-Noise Ratio: <ul> Line: > 93 dB (A-weighted)   Phono: > 87 dB (A-weighted)   THD+N: < 0.02%   Channel Separation: < -90 dB (@ 1 KHz, unity)   Headroom: <ul> Line Inputs: > 16 dB   Microphone Inputs: > 20 dB   Outputs: > 20 dB   Analog Output: <ul> Master (balanced): +24 dBu (maximum), +4 dBu (unity)   Master (unbalanced): +20 dBu (maximum), 0 dBu (unity)   Booth: +24 dBu (maximum), +4 dBu (unity)   Record: +10 dBV (maximum), -10 dBV (unity)   Send: +10 dBV (maximum), -10 dBV (unity)   Headphones: > 150 mW @ 40 Ω   Analog Input: <ul> Line: +15 dBV (maximum), 0 dBV (unity)   Phono: -22 dBV (maximum), -40 dBV (unity)   Microphone: -40 dBu (maximum), -60 dBu (minimum)   Return: +15 dBV (maximum), 0 dBV (unity)   Microphone Inputs: <ul> CMRR: > 80 dB (@ 1 KHz, unity)   EIN: < -124 dBu (Rs = 150 Ω, DIN)   Digital Output: <ul> Sampling Rate: 44.1, 48, 96 kHz   Bit Depth: 24-bit   <ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"><ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"> Displays <ul class="grid-lg-2-col grid-sm-1-col inside-bullets padding-none"> 1.6” / 39 mm (diagonal)   1.4” x 0.69” / 35 x 17 mm (width x height)

Numark Scratch

Numark Scratch 2-Channel Scratch Mixer for Serato DJ Pro - built-in InnoFADER crossfader, performance pads, instant loop encoder and toggle paddles.Serato DJ Pro with DVS Licence Included!

Pro Mixer PerformanceReady to conquer even the most rigorous of routines, Numarkâ€™s all-new Scratch is a 24-bit two-channel mixer that fuses pro features andan in-demand software suite at a price point that defies belief. Combining an all-metal â€œbuilt-like-a-tankâ€• chassis with professionalfeatures such as a built-in InnoFADER crossfader, performance pads, instant loop encoder and toggle paddles to trigger software-basedeffects, Scratch is set to dominate the scratch mixer category, establishing a new standard for mixers at this affordable price point - thereis simply nothing that combines the features, versatility, ease-of-use, quality and performance of this unitâ€”anywhere.Software FXThe Numark Scratch offers a versatile array of features with powerful simplicity unheard of in this category of affordable mixer: Six directaccess software FX buttons deliver quick access to a comprehensive array of effects with both timing and intensity controls. These effectsare triggered by a pair of intuitive performance-based toggle paddles, usually found only in mixers at premium price points.Instant Loop EncoderLooping simplified! Keep the beat going by pressing the encoder down, and it will loop to the default parameters set in your software. Turnthe knob to the right to extend the beat and to the left to shorten the loop â€“ itâ€™s that easy!Superior Sound

Quality, Whatever Your SetupPlay your best with the best! The professional quality of the Numark Scratch is unrivalled - with an impressive 108dB S/N ratio,performance-driven connectivity, and 24-bit digital sound quality, Scratch guarantees you always sound your best. Plus, there is a Low/High-pass filter that is not software-dependent, so it works as conveniently and effectively with analogue turntables as it does withsoftware-based FX and controls - amazing versatility!InnoFADER CrossfaderEverything the turntablist demands is here including a butter-smooth InnoFADER. This high-quality crossfader is engineered especiallyfor scratch DJs, offering bullet-proof reliability thatâ€™s perfect for the heaviest-handed scratch DJ and the hottest non-stop action. Thereâ€™seven reverse and slope controls for must-have adaptability in any performance setting.DVS ReadyScratch includes the full version of Serato DJ Pro and the complete DVS Expansion Pack (a $99 value). The DVS Expansion Pack gives youimmediate access to connect turntables or CD/media players and control Serato DJ Pro using Noisemapâ„¢ Control tone vinyl or CDs. Withthe included Serato DJ Pro licence you can also connect any dedicated controller, like the Numark NDX500 and have a full setup at yourfingertips.Performance PadsFour performance pads deliver hot cue triggering, rolls for creative build-ups and quick beat stabs, and sampler control so DJs can spiceup their mix â€” all unheard of at this price point. Separate direct access software looping controls are found on each channel, empoweringDJs to unleash their creativity.ConnectivityScratch features all the necessities for any setup scenario. Combining XLR main outputs, an unbalanced booth output, unbalanced line/phono channel inputs, a microphone/auxiliary input for XLR or Â¼-inch TS controlled and a dedicated mic level control, Scratch is primedfor whatever your next routine demands!   DJ Pro with DVS Licence Included <li> Ready to connect to Serato NoiseMapâ„¢ Control Vinyl or CDs (available separately) InnoFADER scratch crossfader with reverse and slope control <li> (6) direct access effect selectors with dual paddle launch triggers and Dry/Wet FX Control <li> (8) performance pads to access hot cues, rolls and samples <li> Filter knobs to create audio sweeps <li> Dedicated instant looping knobs <li> Phono/Line inputs <li> Combo mic input (XLR/1â•„4-inch) w/ level and tone control <li> 108dB S/N output with 24-bit digital sound quality <li> Balanced high output XLR connection <li> Separate booth/zone output <li> Dual headphone output cueing system (1/4-inch/1â•„8-inch) Scroll and load tracks on the mixer easily by holding shift + loop encoder knob. Prime Loop Sound Pack included ($200 value) SoundSwitch lighting control software 2-month subscription included

Numark CM100 Allround/DJ-mixer

CM100, 19" Allround/DJ-mixer
AutoFader-Start och balanserade utgångar

Spänning: 230V/50Hz
Vikt: 3,4 kg
Mått: 483x177x107 mm
Antal rackenheter: 4 HE
Ingångar: 8 line, 3 phono, 2 mik
Ingångskontakter: RCA
Ingångskontakt mik: XLR, tele
Utgångskontakt obalanserad: RCA
Utgångskontakt balanserad: XLR
Equalizer: 1 x 5 bands stereo, 2-bands EQ för mik

CM100 är en smidig och mycket funktionell allroundmixer som är endast 4 HE. CM100 har fler ingångar och funktioner än de flesta i sin prisklass.

Varje kanal är utrustad med gain. CM100 har totalt 8 line, 3 phono och 2 mikingångar.Mikrofoningångarna har en separat 2-bands EQ och röststyrd Auto-Talk. Känsligheten för Auto-Talk kan justeras steglöst.

X-fadern är adresserbar och utbytbar. X-fadern har också Autofaderstart och

Du kan därför kontrollera och starta CD-spelarens Cue-punkt med X-fadern.
Är kompatibel med CDN-20/32/34/88.

CM100 har en 5-bands EQ som är urkopplingsbar. +/- 6dB eller +/- 12dB för EQ:n kan väljas.Förlyssningen är utrustad med X-fader som mixar mot utsignalen eller splittat i vänster/höger hörlur.Mastern har panoreringsmöjlighet och kan användas i mono eller stereo.
Masterutgången är balanserad men mixern har också obalanserade "slav"-utgångar. CM100 har också en Zone-utgång med individuellt nivåreglage för att kunna ge olika volymer i olika utrymmen/lokaler. Uttag för 12V lampa med BNC-kontakt.

Utgående! Endast kvarvarande lagerex!

Numark DM-2050

Numark DM-2050, 3-kanals DJ-mixer.
Spänning: 230V/50 Hz
Vikt: 2,5 kg
Dimension: 244x285x95 mm
Ingångar: 6 line, 2 phono, 1 mik
Ingångskontakt: RCA
Ingångskontakt mik: Tele 6,35mm
Utgångskontakt: RCA (obalanserad)
Equalizer: 3-bands EQ per kanal (med Rotary Kills)

DM2050 är en 3-kanals DJ-mixer med de allra nödvändigaste funktionerna. Totalt 6 line, 2 phono och 1 mikrofoningång. Varje kanal är försedd med gain och 3-bands EQ.
(Mikingången har nivå + 2-bands EQ).
X-fadern är justerbar och har reverse-funktion. Förlyssningen är försedd med X-fade funktion, så det går att mixa och öva i hörlurarna.

DM2050 är stor till antal ingångar och funktioner, men liten till priset. En perfekt bedroom-DJ mixer, och passar lika bra mellan ett par skivspelare som mellan ett par table-top CD, eller vid datorn.
