Samson Expedition EXPRESS PLUS

Samson Expedition EXPRESS PLUS uppladdningsbar högtalare med Bluetooth

Expedition serien från Samson innehåller en mängd olika allt-i-en högtalare och är fyllda med mängder av smarta funktioner och lösningar. I serien finns allt i från små portabla batteridrivna högtalare med trådlös ljudöverföring till mediumstora PA-anläggningar. This lightweight, rechargeable speaker system weighs just under 12 pounds and delivers rich, full sound through its 6" woofer and 1" tweeter. Wirelessly stream music from any Bluetooth device for up to 20 hours on a single charge. Plus, it comes with a wired handheld microphone and cable to add your voice to the mix. Built on Samson's legacy of designing large PA speakers for live music, the Expedition Express+ delivers rich, dynamic sound from its tuned, 2-way speaker enclosure and advanced 75-watt power amplifier. A 3-channel mixer offers inputs for microphones, line level instruments and more, which is perfect for mobile cocktail gigs or jamming in the backyard. The mixer also includes a USB wireless port to integrate a Samson XPD Series USB Digital Wireless Systems (sold separately) and enjoy the benefits of a complete wireless audio solution to host your event or for the ultimate karaoke experience. A rugged polypropylene enclosure and top carry handle guarantee the Express+ is ready for any adventure. For events where you need to project your sound, the Express+ features a 1 3/8" speaker mount for use with any standard speaker stand. •All-in-one portable speaker system that weighs just under 12lb •Internal rechargeable battery for up to 20 hours of continuous use •Class D amplifier produces 75 watts of Peak power •Bluetooth connectivity to connect wireless music sources •3-channel mixer with 2-band (Bass and Treble) EQ •Independent volume controls on each channel •XLR-1/4" combo Mic/Line input for microphones and line level devices •1/4" Line input for acoustic guitars and other line level devices •1/8" (3.5mm) Aux input for stereo line level devices (MP3 players, keyboards, etc.) •Includes wired handheld dynamic microphone •2-way speaker enclosure with 6" woofer and 1" tweeter •USB wireless port for use with Samson XPD Series USB Digital Wireless Systems (sold separately) and phone charging •Rugged polypropylene enclosure with integrated carry handle and steel grille •Tilt-back design for sideways positioning •1 3/8" speaker stand mount
